f/ Includes an amount of $13,690,003 owed by the former German Democratic Republic for the United Nations Interim Force in Lebanon (UNIFIL). Through accession of the German Democratic Republic to the Federal Republic of Germany with effect from 3 October 1990, the two German States united to form one sovereign State. As from the date of unification, the Federal Republic of Germany has acted in the United Nations under the designation "Germany". On 3 October 1990, total contributions outstanding amounted to $15,854,003 for the former German Democratic Republic. There were no contributions outstanding for the Federal Republic of Germany. The German Government wishes to point out that it does not recognize any legal obligation to pay the debts of the former German Democratic Republic. However, it has already made voluntary contributions totalling $2,164,000 and will make additional voluntary contributions of appropriate amounts in due course.

g/ The Czech and Slovak Federal Republic was dissolved effective 31 December 1992. Based on a bilateral agreement, the credits and outstanding contributions of the former Czech and Slovak Federal Republic have been divided between the Czech Republic and Slovakia. Pending the placement of the Czech Republic and Slovakia in the appropriate group (General Assembly decision 48/472 A), no assessments have been issued for peace-keeping operations.
